SAILING WORLD

US SAILING Speaker Series program was first created in 2005 as a grassroots, educational series delivering high quality seminars to cruising and racing sailors nationwide. The Series has proven to be very successful in its first four years with more than 9,000 sailors attending 62 events. In 2010 Kiriacoulis Yacht Charters and Sailing World Magazine are sponsors for this program. Every participant of a Speaker Series event will be entered into a contest, with a winner announced this Fall. The grand prize drawing of a free week's yacht charter will be provided by Kiriacoulis in the Greek Isles. Additional prizes will be raffled off at each event.
